Find Your Perfect Fit – Heading

Cathode Power offers a comprehensive range of solar energy solutions, including On-Grid Inverters from 2.3 kW to 110 kW, Hybrid Inverters from 3 kW to 15 kW, Microinverters from 0.6 kW to 2.4 kW, and Battery Energy Storage Systems (BESS), designed to meet diverse residential, commercial, and industrial energy needs.

Change the orange color highlight to our green #22727f and add BESS to top with micro inverters

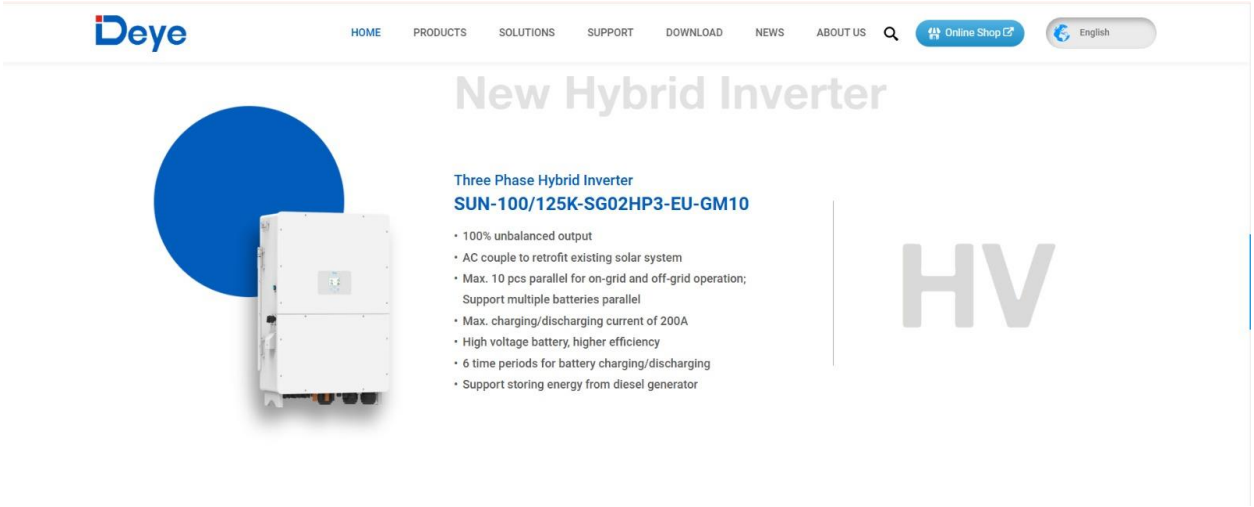

And add white textured background for inverter images

Next Scroll:

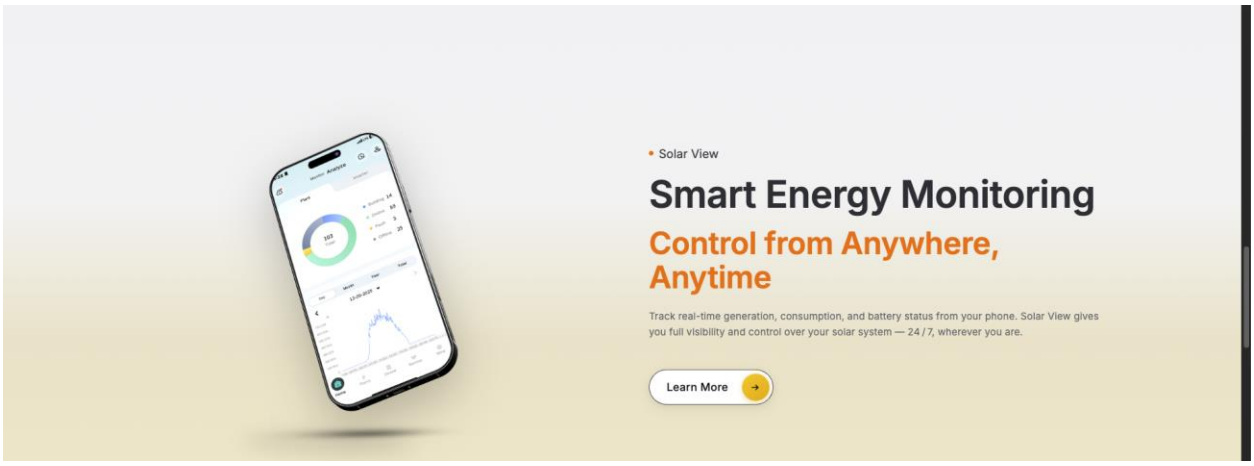

in this add headline: Solar Inverters Which Are Designed for India, Not Adapted to India

design this to be used animation in the circle – zoom in, zoom out
